Courses and course registration

Law students on the Erasmus programme/bilateral agreements and Nord-Plus students who have completed two years of law studies or more are welcome to register for exams at master's level. Our national law students register for law electives at master's level when they have completed the 3rd year of their 5 year integrated master degree. Please check with your exchange coordinator at your home university whether you should take courses at bachelor's or master's level. (A number of courses are available at master's level only, see the list)

You are expected to choose at least **three full courses in one semester** (30 ECTS= full study load). The Faculty does reserve the right to cancel options if the number of students wishing to follow the course is insufficient. The semester pages will be updated from the end of May for courses offered in the autumn semester 2022. We offer different courses in the spring semester 2023. (updated by 1 December 2022, see previous spring courses 2022)

Law electives offered in Norwegian may also be of interest to Nordic students.

Studentweb opens **1 June** for on-line course registrations. Criminology courses and courses offered at several of the other faculties have often limited capacity, so we advise you to check/register quickly on-line to have a better opportunity to be admitted to courses.

Course pre-registration in the Nomination web is not binding; you are free to make changes when you register on-line. The **deadline for final registration for courses and exams** for the autumn semester 2022 (done online in studentweb) is **September 1st**.

Learning agreement :

Please check with your home university if they use the new digital system for Learning agreements “OLA “or the paper- based/pdf L.A. If OLA is used we will confirm your learning agreement in the Erasmus Dashboard. If paper (PDF) –based, check which documents you should bring/send and we will then sign them.

You may have your paper-based/pdf learning agreement signed by sending it to the Info Centre at the Faculty of law: info@jus.uio.no or to elisabeth.reien@jus.uio.no. See the enclosed list with courses offered in the autumn semester 2022.

Arrival/departure forms will be signed at the Info-Center in Domus Juridica.
