Background the International Expert Panel

Following the introduction British Government's Legacy Bill [the International Expert Panel on Impunity was convened by the Norwegian Center for Human Rights](#) at the request of the Committee on the Administration of Justice (CAJ) and the Pat Finucane Centre (PFC).

The Panel of experts, consisting of academics, lawyers, human rights activists and former police officers, was tasked with providing an authoritative independent assessment of the extent to which there has been state impunity for human rights violations during the Northern Ireland conflict. The Panel, who were supported by student research teams, conducted seven study visits gathering testimonies, meeting families, lawyers, NGOs and officials and examining official documentary evidence. The Panel will present the findings from their Report.
